

Block: 458

Lot: 47

Address: 4 East Second Street

The building at 4 East Second Street was constructed in 1850. Historic maps indicate that in the 1800s the address for this building was actually 2 East Second Street. (A comparison of the modern map and the 1853 map indicates two different addresses for the same lot.) According to the tax assessment records, 2 East Second Street did not exist until 1850. In 1850, the first year the address appeared, the property is described as a lot and a house and is valued at \$4600. This house remains on tax records in the following years.
