Morris B. Shnurr, Partner , being duly sworn, deposes and says:
I reside at 155 Ridge StCounty ofNew York City and State of New York.
That I am the owner of the building located at 160 E. 2nd St.  County of New York City and State of New York.
That I have authorized the filing of the above-noted application with the Department of Buildings of the City of New York, and am aware of the fact that under the provisions of Subdivision 5 of Section 213, Multiple Dwelling Iaw, as amended by Chapter 1056, Laws of 1960, all of the interior rooms in this old-law tenement must be legalized as the apartments become vacant and, in any case, not later than June 30, 1965.
That I have read the provisions of Section 213, Subdivision 5, Wultiple Dwelling Law, which appears below on this affidavit,
That this affidevit is being filed to induce the Department of Buildings to approve the plans filed with BN Application No. 715 of 1962.
That I do not consider the approval of the above-noted application or plans therewith as legalizing any interior room which may exist in this old-law tenement.
Morry B. Schnur
Sworn to before me  this 2. day of May 1962,  Lopold 7. Cypin Commission April Commission of the Multiple Dwelling law reads as follows:
5. Notwithstanding anything in this section to the contrary, no room in any old- law tenement in an apartment which is vacant on June thirtieth, nineteen hundred sixty, or thereafter becomes vacant, and, on and after June thirtieth, nineteen hundred sixty-five, no room in any old-law tenement shall be used for living purposes unless such room shall have a window opening directly upon the street; or upon a yard not less than four feet deep, or above the roof of an adjoining building, or upon a court or shaft of not less than twenty square feet in area, open to the sky without roof or skylight, unless such room is located on the top floor and is adequately lighted and ventilated by a skylight opening directly to the outer air.  An alcove shall be deemed to comply with the requirements of this subdivision if (1) it opens directly into an immediately adjoining room in the same apartment,  (2) such adjoining room opens directly on a street or yard, and (3) a single open space occupies at least sixty per centum of the area of the vertical the alcove and such adjoining room. The required open space between

ove and an adjoining room through which it receives light and ventilation e obstructed by anycurtain, portiere, fixed or movable partition or other

: or device.
