The lot lines and exterior walls of the building must be drawn to indicated scale. Show dimensions of lot, building, courts and yards.

The following information must be obtained from the departments and bureaus concerned and verified by them. A diagram must be made showing the correct street lines from the city plan; the plot to be built upon in relation to the street lines and the portion of the lot to be occupied by the building; the legal grades of streets at nearest points from the proposed buildings in each direction; the house numbers; and the Block, Lot, Section and Volume numbers. The data for the above may be obtained from the Bureau of Highways, and the Tax Department.
