NOTE.—The above signature to be that of the owner or of the person authorized by him to make application.

WARNING.—The approval of plans, procured by misrepresentation of facts or conditions, mis-statements in applications, or through improper action by any officer or employee of this Department, does not legalize an illegal construction, arrangement or condition.

INSTRUCTIONS.

VERY IMPORTANT THAT SAME BE CAREFULLY READ.

Three sets of Applications and two sets of Drawings must be filed.

Plans must be drawn to a uniform scale, not less than one-quarter inch to the foot, and be on linen tracing cloth or be on paper, and the proposed new work must be clearly distinguished from the old work by dotted lines or by other conventional

For approval by the Tenement House Department, one set of plans and a certificate of approval will be at once forwarded to the Bureau of Buildings by the Department.

The dimensions and boundaries of each lot must be clearly marked on plans, as must the clear measurements of all courts, yards, stairs, rooms, and halls, the location of all fire-escapes, and the use to which each room and the several portions of the building are to be put. With each application, not personally signed by the owner, must be filed a written statement (see page 2) designating the person signing this application to make such application. Thereafter no person other than the owner whose name appears in the papers, or the person authorized by him as above explained, will be recognized by the Department. A new architect may be substituted during the progress of the work only after filing a new authorization, as per page 3. If necessary the Department may require a block plan, on sheet 8 1/4 x 13 1/2 in. (on linen tracing cloth or cloth print), showing the dimensions and boundaries of each lot, distance of same from adjacent streets, the size of the building, with general dimensions of all courts, yards, areas, shafts and offsets from the same.

When amendments are rejected in their entirety. A subsequent amendment, filed to meet the objections, must also contain all amendments in the original amendment not specifically disapproved.

Amendments to plans and applications must be made on a separate blank provided for that purpose, and where changes in the sizes of lots, buildings, courts, rooms, or halls are made, separate drawings showing such changes must be filed, if required by the Department. Amendments must be typewritten. All changes made in drawings or applications, after the date of filing, must be made in red ink, and each change or correction dated and initialed or signed by the person making the correction. The corrected drawings will be required if changes made, in the opinion of the Department, make same necessary.

Where it is proposed to convert or alter the purposes of a tenement house a building not erected for such purpose, a separate application used for the erection of a new tenement house must be filed in the Department and must be completely
