To THE BOROUGH SUPERINTENDENT:

Application is hereby made for approval of the plans and specifications herewith submitted and to be made a part hereof for the structure herein described, with the understanding that:

If this application shall be disapproved in part and if no further action is taken thereon within one year after notice of partial disapproval, it shall be automatically withdrawn.

Any permit issued under which no work is commenced within one year from the time of issuance shall expire by limitation. (Adm. Code C-26-177.0).

Work will be supervised by Licensed Architect, Professional Engineer or by a Superintendent of Construction who has had ten years' experience supervising building construction and who has been properly qualified. (Adm. Code C-26-187.0).

Work under this approval will not be commenced until a permit has been obtained, application for which will be filed with the Borough Superintendent, accompanied by satisfactory evidence that compensation insurance has been obtained in accordance with the provisions of the Workmen's Compensation Law. (Adm. Code C-26-161.0).

Work will be carried out in compliance with all the provisions of the Administrative Code of the City of New York and with the provisions of other laws and rules in effect on this date relating to the erection of said structure.
