

Block 459**Lot 5**

According to tax assessment records, the two houses on lot 5 were constructed together in 1837-39. The 1837 record shows Edmund Griffen owning a stable on the lot listed under a single address (no. 355). The value in that year is illegible. The tax record from 1838 is missing. In 1839, the lot contains two houses (nos. 355 & 335 ½) valued at \$6,500 each and both owned by Edmund Griffen.
